Hello dear sponsor,

I send greetings to you and we hope that you are enjoying good health with your family. I want to tell you that I received all your letters and drawings with the nice messages. He says thank you for choosing him and remembering him. He also wants to tell you that he appreciates you very much. He is happy to receive each of the presents you sent him. He is enjoying good health. He is studying and he likes doing his homework. He likes to play soccer. That is all for today. Darwin says good bye and thanks you for everything.
