Dear Sponsor,

This is to greet you and express my heartfelt thanks for your gift sent to me and consisting of a Christmas card. It is a proof of how much you care for me. I have been delighted by that gift. Please keep up with this spirit. In my turn, I wish you joy and happiness in all your commitments.

Since I do not have a good handwriting yet, in this letter, I got assistance from Felicien NSENGIYUMVA, our community volunteer.

Your Sponsored child,
